### WHITEHEAD COUNCIL

no procuration, and macorsance with an Act of the Previncial Legislature.—
Carriod.

Speers. Smith—That the following resolution be forwarded to the Provincial Legislature. Whereas we the Council of the Municipality of Whitehead in Council assembled this 2nd day of November, 1889, desire to notify the aforesaid Legislature that the subsidy advanced to us in the spring of 1889 to be appropriated to the purchase of seed grain for the rate payers of this municipality in accordance with the act pertaining to the same.

And whereas it will be almost impossible to cellect the outstanding amounts, on account of the extreme drought and the gopher pest, rendering the ratepayers in a position requiring further assistance instead of being able to meet present sead of being able to meet present sead of being able to meet present sead of being able to meet present positions pertaining to advance.

We sould humbly solicit an additional subsidy of a similar amount to be appropriated in the game way, and to be forth-coming in the spring of 1890. Believing we do that this would result in doing seat for the center municipality, and hat the entire amount to the subsidiar.

In motion council adjourned in on 21st day of Dec. 1889

### OAK LAKE

### THE RE-UNION.

REINO OBSERVED THE WORLD OVER.

This week is set aside by the Y. M. C. A. as a week of prayer for the young men, and is being observed by all the Associations were the world. Under the assipious of the Association here services are being held in the 'various churches, commencing at eight o'clock, to which all the young men and others are contially invited to attend.

The first of the services, was held in the Freshyterian church on Manday evening by the Rev. J. H. Best. His subject was 'Character,' and those who were present were highly please with the Rev. gentleman's discourse. D. H. Gooper sang value and was Manday associated.

in the chorus by Messrs Wallace and Power.

This evening the Rev. Mr. Urquhart will deliver a lecture in the Congregation-al church, subject "An opening to great advantages" John 10.79. The last beture will be delivered in the Baptist church on Friday evening, conducted by Rev. J. P. Wilson subject "How to get rich" Matt. 6 19-20.

### MELITA.

Matrix, Nov. 10.—The Brandon-Souris-idway grade is neuring the Souris-river Melita.
The weather is time and farmers are lowing. Wheat will begin to move next

The weather plowing with high to move measure plowing. Wheat will begin to move measure the millers, visited Malita in the interests of their mill. They claim that Oak Lake is the nearest mill to Melita by several niles. Quite a number of our farmers have mades trip for their winter flour and bran. A good trail has been staked out with inger-bounds by the enterprising outsides.

Green much deeper this season.

Green's Nov. 2.—The trial of the man Harvay, who nurdered his wife and two Lidders, was funded to May. The case as given 15 the jury this morning, strong efforts were made to prove that he saw instan. through meany troubles at he time of the turnish deed. But the time of the turnish deed. But the way, after a short deliberation, returned within the graph of the content of the

diet.

Orrawa, Nov. 8.—Therem the of Rev.

W. W. Carson, fermerly of the Dominion
Metholist church here, at Kin ston, in,
meloring the Roman Cathole faith
have assed quite a sensation here, where
his sermons on "Loyalty" during the
Northwest reledition and his denunciation
of Catholics opposed to Reil's execution
are still fresh in the memory of people.
At that time he pointed the Orange scelet
as a pertest, he send, against Roman
aggression, and on the Equal Reightancement being started, he was one of
its leaders.

### IN ROME.

Rom, Not. H.—Rey, T. De Watt Tel-mage, D. D. Mrs. Telmage and Miss Tel-mage, with Mr. and Mrs. Louis Klepsch, arrived in this city Saturday versing. Yesterday the great Brooklyn divine proached to a large congregation from the text, Acts xix, 21: "I miss also see Rome."

### THE PARIS SHOW

THE EXPOSITION A BIG MICESS AND REMINES A POWERFLE HEACT CONDERS.

LONDON, NOV. 7.—No praise can be too sweeping or extravagrant for the superby well as the superby well. The exposition has done more than any king or statesien to preserve the peace of Europe, and inside its own than the superby well. The exposition has done more than any king or statesien to preserve the peace of Europe, and inside its own border it has sent Monardy into a hope less decline, externinated Bealangist, put Paris on the face again as a great commercial centre, and restoring France to the respect and admiration of the whole world. No remarkable inventions or straking discoveries, can be linked with the record of this exposition. The solitary unique feature of the show in that lime, Count Chardonel's invention of attificial silk under from cellulose, receiving agold medal and recovering much curious stemation, but the most reproduced at life and the cost, has the fatal dement of being dangerowsly inflammable, so that it will probably neter be hered of in the trade. But the exposition has crowned the surface popular feature of the show. Effects in the quested for preparating the most popular feature of the show. Effects to take of a large hotel on the first platform with a concert and daning hall. The English colored fountains will also be kept and a mayber of the more cheated, certiste miner buildings.
